

RO BAIRSTOW – Pastoral tutor

I am a teacher of mathematics at all year levels and have been standing-in as Head of Department until the new HOD starts in 2011.

I have coached junior soccer and tennis for many years.

I am a keen triathlete and have represented New Zealand at the World Championships for my age group for the past two years.

I also play the guitar for fun and follow most sports closely.

I enjoy reading, movies, most types of music and I like to keep up with the latest technological developments.
