

## **ROLF PORTER CLUB**

The objectives of the Rolf Porter Club are to:

- support racing at King's College through fundraising activities, which contribute to facilities, equipment and expenses, coaching on request, riverbank support
- provide the opportunity for Old Collegians and members of the King's College family to row both socially and competitively
- promote Rolf Porter Club activities and rowing related events or ideas of interest via newsletter and other King's College publications
- promote within the Rolf Porter Club, a social/reunion programme for Old Collegians, parents and members of the King's College family
- maintain a close relationship with the school through regular contact with the personnel in charge of rowing at the College

Supporters of rowing at the College may subscribe to life membership of the Rolf Porter Club for a once-only payment of \$1000 and/or placing an individual or family name on the Rolf Porter Club Honours Board for \$5000. These payments are added to the capital fund held by the Rolf Porter Trust. The interest from this fund is available to the Kings College Rowing Club Inc, along with sponsorship monies and other contribution, for the purchase of new rowing equipment for rowers at Kings College.

### **Rolf Porter Fund**

The Rolf Porter Fund was established by Old Collegians to acknowledge the contribution of Rolf Porter to rowing at the College. Old Collegians have generously contributed to establishing and maintaining the Trust, run the the King's College Foundation. The aim of the Fund is to continually build on the current capital base to increase the level of contribution that is available to be made to the King's College Rowing Club Inc. It is the intended to grow this capital fund base by encouraging supporters to gain life membership of the Rolf Porter Club, by contributions from Old Collegians and other supporters, and by sponsorship and charitable trust contributions.
