E-Learning Technology Requirements 2020

Our e-learning programme is founded on the premise of 1:1 personal ownership and use of a computer: all students are required to have an iPad for their school work. The College has built incrementally on this following an initial pilot programme with a single Year 9 class in 2012, and reaching all year levels in 2017.

We believe that the iPad makes this 1:1 computer ownership goal achievable, given its compact design, long battery life, portability, accessibility, reliability, ease of use and functionality, and the ready availability of educational apps, digital books and services. It is an ideal tool with which to facilitate learning in an information-rich environment in all subjects.

There are four iPad models currently available:

- 12.9" iPad Pro
- 11" iPad Pro
- iPad Air (10.5")
- iPad (10.2")

An Apple Pencil is also required.

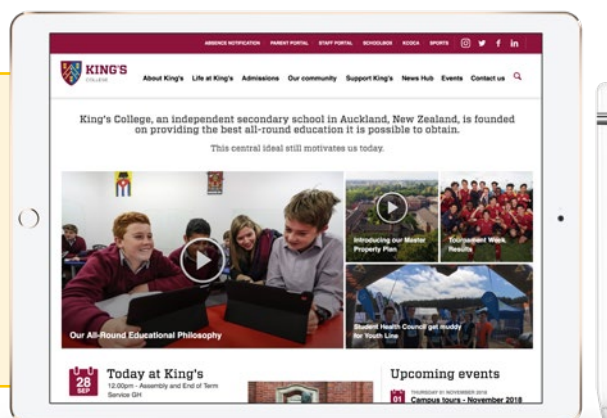

We recommend the iPad Pro in the Senior School (Years 12–13).

For more information regarding the iPad Programme and computer requirements, visit www.kingscollege.school.nz/admissions/digital-technology-requirements on the College website.
