

Show your support each season

The King's Rugby Supporters Club has provided on-going support for the King's rugby programme for many years and ensured that rugby has the means to achieve excellence in the true King's way.

Our sports education and rugby programme is first-class. Our rugby players take pride in the tradition of 125 years of history and success in King's rugby. However, with increased challenges over recent times your support is now more important than ever. To help us enhance our offering we have recently introduced the rugby Youth Development Fund with the goal to enhance and support junior rugby.

With your help, today's students can enjoy a rugby programme that reaches new heights across all grades.

The Supporters Club is made up of Old Collegians, parents, former players and past parents and guardians, businesses and loyal King's rugby fans. Please join us in helping ensuring King's remains one of the top rugby schools in the nation.

We look forward to welcoming you on board,

Virtus Pollet

Scott Palmer

The Youth Opportunity Fund

This new initiative started in 2020 with the purpose of providing opportunities for Year 9 and 10 incoming students to receive assistance by contributing to their tuition fees over the duration of their time at the College. Recipients need to excel and be ambitious in rugby and commit fully to King's rugby, while also striving for excellence within everyday schooling and engaging in the King's culture and values.

This is a special purpose fund that we aspire to build immediate funds to be used for the recruitment of Year 9 and 10 students.

The Ian Kirkpatrick Rugby Scholarship

New Zealand rugby icon, Ian Kirkpatrick (Selwyn, 1st XV 1962-64, Head Boy 1964) is an outstanding ambassador of King's College. Ian played 113 games for the All Blacks including 39 tests. In 2003 he was admitted to the IRB Hall of Fame. In 2013 he kindly lent his name to the establishment of a new endowment scholarship for King's College; the Ian Kirkpatrick Rugby Scholarship.

The Ian Kirkpatrick Rugby Scholarship will assist an all-rounder with exceptional rugby skills to attend King's College. Recipients of the scholarship may not otherwise be able to attend King's College without the financial assistance of this scholarship.

Supporter Club Membership

Benefits of becoming a member:
